XILAM ANIMATION TO PRODUCE *OGGY OGGY*, NETFLIX'S FIRST FRENCH ANIMATED ORIGINAL SERIES

October 24th, 2019

- Netflix and French production company Xilam Animation today announced that Xilam will produce an original CGI animated preschool series *Oggy Oggy*, based on the global hit franchise *Oggy and the Cockroaches*, which has reached 800 million households around the world over the last 20 years.
- In the new series, Oggy is freed from the ceaseless tyranny of the cockroaches and lives in a fantasy world inhabited by a vibrant community of cats. *Oggy Oggy* is a very special little cat, full of curiosity and enthusiasm, who likes to engage with his neighbours and set off on fun adventures.

- “We are delighted with this new collaboration with Netflix, a testimony of their commitment to offering children around the world access to high-quality programmes. With this new development of our successful series *Oggy and the Cockroaches*, Xilam intends to establish the *Oggy* universe as one of the most important franchises for the pre-school target audience. By expanding its footprint, the brand is expanding its global audience.” - **Marc du Pontavice**, Chief Executive Officer, Xilam Animation.
- “We’re thrilled to be working with Marc and his team to expand *Oggy's* universe. We're certain *Oggy's* kindness and sweet charm will warm the hearts of preschoolers everywhere.” - **Dominique Bazay**, director, kids & family international originals, Netflix.
- *OggyOggy* will join the already robust Netflix original preschool offering for kids aged 2-6, which includes series such as *Ask The StoryBots*, *Chip and Potato*, *Mighty Little Bheem*, *Motown Magic*, *Super Monsters*, *True and the Rainbow Kingdom*, *Word Party* and *YooHoo to the Rescue*.
