Xilam Animation to Serve as Animation Studio for Acclaimed Director Zack Snyder's New Animated Series *Twilight of the Gods*, Coming Soon to Netflix

Norse-Mythology Animation Project Executive Produced By Zack Snyder, Deborah Snyder, Wesley Coller and Jay Olivia

Academy Award®-nominated **Xilam Animation**, will serve as animation studio for the upcoming epic 2D animated action series *Twilight of the Gods*, created and executive produced by acclaimed director Zack Snyder, who also directs two episodes. Coming soon to Netflix, the Norse-mythology animated project is also executive produced by Deborah Snyder and Wesley Coller, and produced by Zack and Deborah Snyder's production company The Stone Quarry. Additional details below.

Xilam's animation services on the animated series will include lay-out, colour BG, animation and compositing.

Marc du Pontavice, Founder and CEO at Xilam Animation said: *"We're so proud to be working with the team at Stone Quarry, including iconic creator and director Zack Snyder. And we're also deeply grateful to Netflix for trusting us to bring his spectacular vision to life. We'll be utilising state of the art 2D animation across the series, which will include spectacular battles and special effects in the distinctive style that has characterised Zack's work throughout his illustrious career. This project also marks a significant step forward in our ambitions to bring our expertise into the world of adult action series for global audiences".*
